POWER CASE FOR IPHONE 4/4S
INCLUDING 3 CHANGEABLE SIDE PANELS

The CasePower® is a rechargeable external battery integrated into a protective case extending the user time for the iPhone 4/4S. It offers you the the protection of a hard-shell case while providing virtually twice the battery life of the iPhone alone; all delivered in a design worthy of an iPhone.

- 14.9 mm thin
- More than Double Power
- Scandinavian Design
- Apple Certified

The unique and slim design is so thin most people recognize it as a normal case. Suprise them with an inbuilt battery :) Another cool feature is the three optional side panels that are included.
